Canola oil for frying  
6 eggs  
6 English muffins, split and toasted  
Mayonnaise for spreading  
Hot sauce (optional)  
6 slices cheddar cheese  
Ground black pepper to taste  
12 butter lettuce leaves or small green leaf lettuce leaves

## Directions

1. Preheat large skillet over medium-high heat. Fry sausage patties in small amount of oil until lightly browned and thoroughly cooked through, about 5 minutes per side.

3. Wipe out skillet with paper towels. In same skillet, heat a small amount of oil over medium-high heat.
4. Working in batches, crack eggs into skillet and cook until whites turn opaque, 3-5 minutes.
5. Spread bottom half of English muffins with a thin layer of mayonnaise. If desired, spread a thin strip of hot sauce into the mayonnaise.
